Subject: Amendment to 250-RICR-120-05-01 Visible Emissions

To Whom it May Concern,

[250-RICR-120-05-01 Visible Emissions](#) has been recently amended to allow for the alternative certification method ALT-152, for observer qualification of Method 9. Regulation changes have been adopted as of May 13, 2026. If you have any questions, please direct them to the undersigned.

Thank you,

Brianna Giglietti *(she/her)*
